COMMONWEALTH
Enterprise and Investment Council

COMMONWEALTH
Enterprise and Investment Council

Commonwealth Enterprise and Investment Council

The Commonwealth Enterprise and Investment Council facilitates trade and investment throughout the 53 states of the Commonwealth and supports private sector companies and governments to promote economic activity. We work with member companies to expand their businesses and to help with new investments in any Commonwealth country.

City of London

The City of London Corporation is the municipal governing body of the City of London, the historic centre of London and the location of much of the UK's financial sector. Over its near 900 year history, the City of London Corporation has developed into a uniquely diverse organisation with three main aims: to support and promote the City as the world leader in international finance and business services; to provide high quality local services and policing for the Square Mile; and to provide valued services to London and the nation as a whole.
