COMMONWEALTH

Enterprise and Investment Council

Your Majesty,

On behalf of the Strategic Partners, Board and Staff of the Commonwealth Enterprise and Investment Council, I wish to relay our best wishes and sincere thanks for your extraordinary leadership of the Commonwealth and Commonwealth Business Community throughout the past 70 years.

As you will see from the messages in this book, the regard for Your Majesty and Your Majesty's leadership is shared across the Commonwealth. The Commonwealth Enterprise and Investment Council has Strategic Partners from all five regions of the Commonwealth, who share our belief in the enduring strength of the Commonwealth Family, and its promise for the future. Those of us who have had the pleasure of working within the Commonwealth know that its greatest strength is the power of its network, its unique ability to bring people together.

At the Commonwealth Enterprise and Investment Council, we use this network to promote trade and investment across the Commonwealth, helping

businesses to prosper, and governments create new opportunities for their citizens. We are also delighted to support the Commonwealth's young population, and we know that the future of the Commonwealth is secured through the passion of its youth, the next generation of Commonwealth business leaders.

As our network continues to grow, we know that there is a palpable global appetite to access the Commonwealth family, the strength of which is testament to your enduring and steadfast leadership. Our future is very bright indeed.

Once again, on behalf of the Commonwealth Business Community, may I send you the warmest best wishes on your Platinum Jubilee.

I have the honour to be, Madam, Your Majesty's humble and obedient servant

Lord Marland, Chairman of CWEIC

Your Majesty,

Having served as a Minister of State in the Foreign and Commonwealth Office where my responsibilities included the Commonwealth as an institution, I have first-hand knowledge of the great strengths of the Association, and at CWEIC I have seen its bright future.

The Rt Hon Sir Hugo Swire KCMG | **Deputy Chair, CWEIC**

It is a great honour to have been appointed to lead this Commonwealth Organisation. The Commonwealth is an extraordinary family of nations, and it is a great pleasure to be playing a role in promoting the business community.

Rosie Glazebrook | **CEO, CWEIC**

The Commonwealth has been a huge part of my life, I have worked across many Commonwealth countries and witnessed the great power the association has to bring its citizens together. Thank you for your leadership and the inspiration you offer to so many.

Mohamed Amersi | **Board Member, CWEIC**

The Commonwealth is a remarkably 'young' institution, the opportunity for young business leaders and entrepreneurs to leverage this vast and synergistic network is still largely untapped. Under your leadership the Commonwealth has grown into an institution that truly inspires young business leaders and provides them with a global market for the future.

Niro Cooke | **Board Member, CWEIC**

As Malta's Head of CHOGM and CWEIC board member, the Commonwealth has been a central part of my life. I am always impressed by the Commonwealth's network and its capacity to inspire the diverse people it brings together. As host of the inaugural Women's Forum, it was an honour for Malta to welcome The Queen, one of the world's most inspiring leaders.

Phyllis Muscat | **Board Member, CWEIC**

Your Majesty

I have both lived and worked in a number of countries across the Commonwealth and have seen the respect and regard that the Commonwealth citizens hold for you personally. The current strength of the Commonwealth is a great testament to your leadership and steadfast commitment, over the past 70 years, to this family of nations.

Pamela O'Leary | **Board Member, CWEIC**

I have seen the extraordinary power of the Commonwealth across; commerce, sport, and friendships all enabled through a shared history which unites our countries. The future is very bright for the Commonwealth as it evolves to become a key socio-economic body for the 21st century and beyond!

Babatunde Soyoye | **Board Member, CWEIC**
